

Music of the Future for 10 Primitive Instruments

Each instrument plays from its own metronome. All are set to different tempi, namely (55,60,65,70,75,80,85,90 and 95)

The instruments, in order of tempo, are:

- 1.3 Bells
- 2.A small hose or tube
- 3.A large plastic hose or tube
- 4.3 Gongs
- 5.3 Drums
- 6.A Dtoy piano or xylophone (amplified)
- 7.A completely untuned violin

8. A completely untuned cello or trombone that has a leak

9. A voice

10. A flute with only 2 operable keys

This is “music” is a fantasy of what would happen if there were some sort of apocalyptic event that only leaves some instruments and disoriented musicians left
